

CPD Attendance Allowance

April 5, 2016 by David Newton

Dear Everyone

I am interested in helping those graduates who have to travel a considerable distance to attend CPD's in Bristol.

At our discretion, particularly if you think it could make a difference to you being able to attend or not, you could apply for a 20% or 30% discount on the CPD fee.

If you think this would be helpful, and at the very least there would have to be the necessity of staying overnight, please send an email with the details to me at: info@cpht.co.uk

Registration for CPD's would be in the normal way and any adjustment would be made on the day you attend your CPD.
